

MINISTRY PROFESSIONAL ENGLISH PROGRAM: LECTURE SLIDES

Visual Slide Deck for Guided Facilitation & Self-Paced Review (Course: MOD-ENG-KKP-01)

SLIDE 1: COURSE OVERVIEW & TARGET COMPETENCIES

[MODUL CODE: MOD-ENG-KKP-01] | Estimated Study Hours: 8 JP

Facilitator: Marine & Fisheries Bilateral Communication Specialist

Pillars of Competency Delivered in this Training Program:

- * 1. Mastery of Standard Marine Communication Phrases (IMO SMCP Resolution A.918).
- * 2. Standardized VHF Channel 16 radio calling, interception, and emergency signaling.
- * 3. Boarding inspection procedures with legally grounded maritime English dialogues.
- * 4. International fisheries law (UNCLOS 1982) and bilateral diplomatic brief formulation.

SLIDE 2: GLOBAL REGULATORY ARCHITECTURE (UNCLOS & IMO)

Key Maritime Zones under United Nations Convention on the Law of the Sea (UNCLOS 1982):

- Internal Waters & Archipelagic Waters: Full sovereignty of the Republic of Indonesia.
- Territorial Sea (12 Nautical Miles): Full sovereign territory; innocent passage regime applies.
- Exclusive Economic Zone (EEZ, 200 Nautical Miles): Sovereign rights over living and non-living marine resources.

Role of Maritime English in Safeguarding Sovereignty:

- * Clear, unambiguous hailing prevents diplomatic misunderstandings with foreign maritime vessels.
- * Legally precise inspection records provide admissible evidence in maritime courts and bilateral tribunals.

SLIDE 3: IMO SMCP MESSAGE MARKERS & USAGE PROTOCOL

Standardized Prefixes for All Maritime Voice Transmissions:

- * [INSTRUCTION] -> Direct orders issued under lawful sovereign authority (e.g. 'Stop vessel immediately').
- * [ADVICE] -> Operational navigation recommendations (e.g. 'Proceed to anchorage zone Bravo').
- * [WARNING] -> Alerts regarding violations or danger (e.g. 'You are operating in Indonesian EEZ without SIPI').

- * [INFORMATION] -> Factual operational updates (e.g. 'Patrol boat is coming alongside on your starboard').
- * [QUESTION] -> Structured inquiries requiring standardized replies (e.g. 'What is your registered flag?').
- * [ANSWER] -> Direct, concise responses to standardized inquiries (e.g. 'Flag state is Panama').
- * [REQUEST] -> Formal procedural requests (e.g. 'Request permission to conduct boarding verification').
- * [INTENTION] -> Official notice of impending action (e.g. 'Intention: We will escort your vessel to port').

SLIDE 4: TACTICAL RADIO CALLS & INTERCEPTION SIMULATION

Standard VHF Channel 16 Calling Sequence (3x Hailing Formula):

1. 'Target Vessel Name (3x)' -> 'FV Ocean Star 12, FV Ocean Star 12, FV Ocean Star 12.'
2. 'Patrol Identifier (3x)' -> 'This is Indonesian Fisheries Patrol KP Orca 05 (3x).'
3. 'Channel Switch Order' -> 'Switch to Working Channel VHF 72 immediately. Over.'

Operational Script on Working Channel 72:

- 'Captain, state your origin port, destination port, and type of fishing license.'
- 'Heave to your vessel. We are preparing to launch a boarding party for fisheries inspection.'
- 'Ensure all ship personnel remain calm and keep hands visible on the main deck.'

SLIDE 5: ON-BOARD INSPECTION & EVIDENCE CHECKLIST

Critical Verification Checklist during Marine Surveillance Boarding:

- * 1. Statutory Registration: Vessel nationality certificate, IMO number, call sign.
- * 2. Fisheries Authorizations: SIPI (Surat Izin Penangkapan Ikan), SIKPI (Surat Izin Kapal Pengangkut Ikan).
- * 3. Fishing Logbook Consistency: Verification between logged catch numbers and fish hold inventory.
- * 4. VMS Transponder Health: Ensure the satellite tracking unit is fully powered and transmitting.
- * 5. Gear Compliance: Net mesh size measurement, presence of turtle excluder devices (TED).

Golden Rule of Facilitation: Always document all verbal interactions with timestamped bodycam footage.

SLIDE 6: DIPLOMATIC CORRESPONDENCE & MULTILATERAL FORUMS

Four-Part Diplomatic Brief Structure for Ministerial Reporting:

- Part 1: Executive Summary & Geographic Positioning (Datum, Lat/Long, Nautical Zone).
- Part 2: Incident Chronology & Radio Transmission Log (Full transcript of VHF voice exchanges).
- Part 3: Physical & Digital Evidence Summary (Hold tonnages, gear seized, VMS tracks).
- Part 4: Recommended Action (Administrative sanction, diplomatic protest note, or judicial prosecution).

Multilateral Negotiation Decorums:

- * Address chairs formally: 'Distinguished Chairperson, esteemed delegates of member states...'
- * Frame proposals around conservation: 'Indonesia advocates for transparent total allowable catch quotas...'

SLIDE 7: ASSESSMENT RUBRIC & FINAL CERTIFICATION

Evaluation Components for Course MOD-ENG-KKP-01:

- * Digital Learning Participation: 20% (Complete Video Lectures, PDF Module Handbook, Slide Review)
- * Practical Radio & Diplomatic Assignment: 30% (Submission evaluated using standard rubric)
- * Final Assessment Knowledge Quiz: 50% (10 Multiple Choice & 2 Case Scenarios; Passing Score: 70%)

Issuance of Official Digital Certificate:

- Verified blockchain-ready credential automatically generated upon passing all requirements.
- Accessible permanently via BARUNA Academy Learner Dashboard.
